

Iota Chapter Revitalization Plan – April 8, 2024

Accomplishments

1. Iota has sent “Thinking of You” cards to reserve and homebound members who could not attend our meetings.
2. We have invited members to a Zoom meeting.
3. We have personally invited past members of DKG to rejoin Iota.
4. We have adjusted the location of our chapter meetings so they are held closest to where our members are living.
5. We invited a local Teacher of the Year to attend our chapter meeting held at the Danbury Museum.
6. Our February meeting was held at an Assisted Living Facility in Newtown so a member who lives there could attend.
7. When we sent out our Graduate Program Grant applications we were certain to include every school, public and private, in Iota’s geographic region.

Future

1. Iota members will be attending the annual dinner provided by our service project, RPMS, Rogers Park Middle School Meal Train. In this way we will not only give money but expand Iota’s physical presence by attending their main fund raiser.
